SUBJECT INDEX

JOURNAL FOR NURSES IN STAFF DEVELOPMENT • Volume 17, Number 6, pp 334–337 • 2001 • Lippincott Williams & Wilkins, Inc.

A

Acute care
  partners in care: an acute and long-term care staff development initiative, 87
  program design to promote clinical judgment, 78
Adult learning, self-directed learning modules, 199
Affiliation, arranging clinical affiliations, 41
Assaultive behavior, crisis response team, 125
Assertiveness, communication in oncology nursing, 67, 159
Assessment
  competence assessment, 221
  conflict management style and attitudes, 34
  nurses' role in discharge planning, 314
Attitude, conflict management, 34

B

Bartol /McSweeney Conflict Management Scale, 34
Beliefs, irrational, professional nursing burnout, 264
Book reviews
  Advanced Practice Nursing: Changing Roles and Clinical Applications, JV Hickey, RM Ouimette & SL Venegoni (eds), 99, 272
  Cardiovascular Outcomes: Collaborative, Path-Based Approaches, DL Flarey & SS Blancett, 54
  Clinical and Nursing Staff Development: Current Competence, Future Focus (2nd Ed.), KJ Kelly-Thomas, 330
  Clinical Practice Development Using Novice to Expert Theory, B Haag-Heitman, 330
  Complementary/Alternative Therapies in Nursing, M Snyder & R Lindquist, 272
  Essential Readings in Nursing Managed Care, SO Turner, 98
  Evaluation and Testing in Nursing Education, MH Oermann & K Gaberson, 164
  Fuzard's Innovative Teaching Strategies in Nursing (3rd Ed.), AJ Lowenstein & MJ Bradshaw, 215
  Handbook of Hospice Policies and Procedures, M Harris, ED Monica & P Boyd, 163
  Health Care Outcomes: Collaborative, Path-Based Approaches, SS Blancett & DL Flarey, 99
  Home Care Nursing Delegation Skills: A Handbook for Practice, RI Hansten, M[illegible]shburn, V Kenyon, 98
  Nurses in the Political Arena: The Public Face of Nursing, H Feldman & S Lewenson (eds), 163
  Pocket Guide for the Home Care Aide, BS Gingerich & DA Ondeck, 54
  Process-Centered Health Care Organizations, SP Smith & DL Flarey (eds), 215
Burnout, professional nursing burnout and irrational thinking, 264

C

Cardiac arrest, cardiopulmonary resuscitation, review of nurses' performance, 248
Cardiac surgery, implementation of cardiac surgery program in community hospital, 260
Cardiopulmonary resuscitation, review of nurses' performance, 248
Caregiver
fall prevention education, 27
self-care and stress management workshop, 243
Change management, educational preparation, 44
Clinical affiliation, regulations, 41
Clinical judgment, program design to promote, 78
Code Blue, continuous curriculum for building Code Blue competency, 195
Collaboration, new graduate RN internship program: collaborative approach for system-wide integration, 144
Communication
  in oncology nursing, assertiveness, conflict management, delegation, and motivation, 67, 159
  program design to promote communication skills, 78
Community hospital, implementation of cardiac surgery program in community hospital, 260
Competence/competency
  competency program development across a merged healthcare network, 234
  continuous curriculum for building Code Blue competency, 195
  cultural competence, 105
  Intranet-based modules for competency training, 182
  staff development's role in assuring competence, 221
Computer-assisted instruction, Intranet-based modules for competency training, 182
Conflict management
  communication in oncology nursing, 67, 159
  knowing your style, 34

Continuing education
comparison of two instructional methods for prevention of workplace violence, 281
competency program development across a merged healthcare network, 234
cultural nursing care: planning, development, and implementation of a learning experience, 20
integrating centralized and decentralized organization structures: an educational and development model, 71
knowledge utilization among experience staff nurses, 115
making the transition to a hospital-wide department of education, 175
preventing the ax: proving education productivity and linking productivity to cost using the EdVision methodology, 294
program design to promote clinical judgment, 78
self-directed learning modules, 199
service and education share responsibility for nurses' value development, 226
using problem-based learning to promote critical thinking in orientation program for novice nurses, 12
using the hospital Intranet to meet competency standards for nurses, 182
when the Golden Rule does not apply: starting nurses on the journey toward cultural competence, 105
Crisis management, assaultive, crisis response team, 125
Crisis response team, 125
Critical pathways, maternity nursing orientation, 61
Critical thinking
continuous curriculum for building Code Blue competency, 195
encouraging critical thinking, 213
orientation, problem-based learning program, 12
program design to enhance, 78
Criticism, eliciting and meeting unit-based learning needs, 190
Cultural competence, 105
Cultural diversity, 12

D

Delegation, communication in oncology nursing, 67, 159
Development
crisis response team, 125
integrating centralized and decentralized organization structures, 71
staff education in a tight time frame, 303
Diabetes mellitus, RNs actual and perceived knowledge, 5
Dining room problems
enhancing quality of life during mealtimes, 131
guidelines for improving dining experiences in long-term care facilities, 256
Discharge planning, nurses' role, 314
Documentation, continuous curriculum for building Code Blue competency, 195

E

Economic issues, proving education productivity and linking productivity to cost using the EdVision methodology, 294
Education
change management, 44
continuous curriculum for building Code Blue competency, 195
cultural competence, 105
cultural nursing care, 20
developing a crisis response team, 125
dining room guidelines for improving dining experiences in long-term care facilities, 256
fall prevention, 27
instructional methods for prevention of workplace violence, 281
integrating centralized and decentralized organization structures, 71
making the transition to a hospital-wide department of education, 175
partners in care: an acute and long-term care staff development initiative, 87
presentation skills workshop, 151
RNs actual and perceived knowledge of diabetes, 5
staff education in a tight time frame, 303
tribute to clinical preceptors: developing a preceptor program for nursing students, 320
EdVision, proving education productivity and linking productivity to cost using the EdVision methodology, 294
Emergency, continuous curriculum for building Code Blue competency, 195

F

Falls, caregiver knowledge/education regarding falls and fall prevention, 27

H

Home health care, RNs actual and perceived knowledge of diabetes, 5

I

Internship, new graduate RN internship program: collaborative approach for system-wide integration, 144
Intranet, Intranet-based modules for competency training, 182

J

Joint Commission on Accreditation of Healthcare Organizations (JCAHO), competence assurance, 221

K

Knowledge retention, nurses' retention of pain management knowledge, 309
Knowledge transfer, among experienced staff nurses, 115
Knowledge utilization, experienced staff nurses, 115

L

Learning
multiple teaching strategies in staff development setting, 206
self-directed learning modules, 199

Learning needs, unit-based, using criticisms to elicit and meet, 190
Learning theories, cultural nursing care, 20
Letter, 174
Long-term care, partners in care: an acute and long-term care staff development initiative, 87

M
Maternity nursing, orientation pathways, 61
Mentors, that which does not kill us only makes us stronger, 94
Motivation, communication in oncology nursing, 67, 159

N
Nurses' knowledge
  nurses' retention of pain management knowledge, 309
  nurses' role in patient's discharge planning, 314
  RNs actual and perceived knowledge of diabetes, 5
Nurses' values, development and internalization, 226
Nursing home population
  dining room guidelines for improving dining experiences, 256
  enhancing quality of life during mealtimes, 131
Nursing Interventions Classification, competency assurance, 221
Nursing students, tribute to clinical preceptors: developing a preceptor program for nursing students, 320
Nutrition education
  dining room guidelines for improving dining experiences, 256
  enhancing quality of life during mealtimes, 131

O
Oncology nursing, communication, assertiveness, conflict management, delegation, and motivation, 67, 159
Organizational training, making the transition to a hospital-wide department of education, 175
Organization structures, integrating centralized and decentralized organization structures: an educational and development model, 71
Orientation
  competency verification across a merged healthcare network, 234
  continuous curriculum for building Code Blue competency, 195
  critical thinking, problem-based learning program, 12
  making the transition to a hospital-wide department of education, 175
  maternity nursing, critical pathways, 61
  patient-centered approach (letter), 174
  staff education in a tight time frame, 303
  strategies for success, 137
  that which does not kill us only makes us stronger, 94
Outcomes
  multiple teaching strategies in staff development setting, 206
  problem-based learning to promote critical thinking in orientation program, 12
  strategies for orientation success, 137

P
Pain management, nurses' retention of pain management knowledge, 309
Performance criteria, competency, 221
Performance review, nurses' performance of CPR at cardiac arrests, 248
Physical deescalation, crisis response team, 125
Poster presentation, culturally diverse care, 105
Poster session, comparison of two instructional methods for prevention of workplace violence, 281
Preceptorship
  new graduate RN internship program: collaborative approach for system-wide integration, 144
  preceptor-orientee fit, 137
  that which does not kill us only makes us stronger, 94
  tribute to clinical preceptors: developing a preceptor program for nursing students, 320
Presentation skills, workshop, 151
Problem-based learning, critical thinking in orientation program, 12
Productivity, proving education productivity and linking productivity to cost using the EdVision methodology, 294
Professional values, development and internalization, 226

Q
Qualitative evaluation, integrating centralized and decentralized organization structures: an educational and development model, 71
Quality improvement
  dining room guidelines for improving dining experiences in long-term care facilities, 256
  enhancing quality of life during mealtimes, 131

R
Rational Emotive Behavior Therapy, nursing burnout, 264
Regulation, arranging clinical affiliations, 41
Research, comparison of two instructional methods for prevention of workplace violence, 281
Resource consumption, proving education productivity and linking productivity to cost using the EdVision methodology, 294
Restraints, crisis response team, 125
Retention, new graduate RN internship program: collaborative approach for system-wide integration, 144

S
Self-care, caregiver's careshop, 243
Self-directed learning, 199
Staff development department
  implementation of cardiac surgery program in community hospital, 260
  partners in care: an acute and long-term care staff development initiative, 87
  role in assuring competence, 221
Staff development stories
  encouraging critical thinking, 213
  staff development coordinator staff development story, 328

that which does not kill us only makes us stronger, 94
Staff nurse, knowledge transfer to clinical practice, 115
Staff retention, new graduate RN internship program: collaborative approach for system-wide integration, 144
Stress management
caregiver's careshop, 243
professional nursing burnout and irrational thinking, 264

T

Teaching strategies
multiple teaching strategies in staff development setting, 206
prevention of workplace violence, comparison of two methods of instruction, 281
Thinking patterns, maladaptive, professional nursing burnout, 264
Training
organizational, making the transition to a hospital-wide department of education, 175
staff education in a tight time frame, 303
Transcultural nursing
cultural competence, 105
planning, development, and implementation of a learning experience, 20
Transition
making the transition to a hospital-wide department of education, 175
strategies for orientation success, 137
that which does not kill us only makes us stronger, 94

U

Unit-based staff development, using criticisms to elicit and meet learning needs, 190

V

Value development, service and education in, 226
Verbal deescalation, crisis response team, 125
Verification, competency verification across a merged healthcare network, 234
Violence, comparison of two instructional methods for prevention of workplace violence, 281

W

Workload analysis, proving education productivity and linking productivity to cost using the EdVision methodology, 294
Workplace violence, comparison of two instructional methods for prevention of workplace violence, 281

STATEMENT OF OWNERSHIP, MANAGEMENT, AND CIRCULATION (Act of August 12, 1970; Section 3685; Title 39 United States Code) Date of Filing—October 1, 2001. Title of Publication—*JNSD—Journal for Nurses in Staff Development*; Frequency of Issue—Bimonthly; Annual Subscription Price—$75.00; Location of Known Office of Publication—Lippincott Williams & Wilkins, Inc., 16522 Hunters Green Parkway, Hagerstown, MD 21740-2116; Location of the Headquarters or General Business Offices of the Publisher—Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Publisher—Lippincott Williams & Wilkins, Inc., 530 Walnut Street, Philadelphia, PA 19106; Editor—Belinda E. Puetz, PhD, RN, 7794 Grow Drive, Pensacola, FL 35214; Managing Editor—Karyn Crislip; Lippincott Williams & Wilkins, 530 Walnut Street, Philadelphia PA 19106; Owner—Wolters Kluwer, Stadouderskade 1, 1054 FS Amsterdam, The Netherlands; Known Bond Holders, Mortgagees, and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages, or other securities—None. A. Total no. of copies printed (net press run), average 4075, actual 3800. B. 1. Paid and/or requested circulation. Paid/requested outside-county mail subscriptions stated on form 3541, average 2558, actual 2446; 2. Paid in-county subscriptions, average N/A, actual N/A; 3. Sales through dealers and carriers, street vendors, counter sales, and other non-USPS paid distribution, average 263, actual 254; 4. Other classes mailed through the USPS, average N/A, actual N/A. C. Total paid and/or requested circulation [sum of B (1), (2), (3), and (4)], average 2700, actual 2700. D. Free distribution by mail (samples, complimentary, and other free). 1. Outside-county as stated on form 3541, average 363, actual 93; 2. In-county as stated on form 3541, average N/A, actual N/A; 3. Other classes mailed through the USPS, average N/A, actual N/A. E. Free distribution outside the mail (carriers or other means), average 33, actual 18. F. Total free distribution (sum of D and E), average 396, actual 111. G. Total distribution (sum of C and F), average 3096, actual 2811. H. Copies not distributed, average 979, actual 989. I. Total (sum of G and H), average 4075, actual 3800. J. Percent Paid and/or Requested Circulation, average 87.21%, actual 96.05%. I certify that the statements made by me above are correct and complete. *Jeffrey Brown, Manager of Periodical Operations*
